

CROSS WORKS CEDAR

Each of these beautiful handcrafted works of art are made of solid North Carolina Cedar. While each are similar, no two can ever be made exactly the same which makes your purchase truly a one of a kind treasure.

Rustic Bench \$450. A personalized engraved bench with your name or business logo is only \$600. These make great gifts for a wedding, birthday, anniversary, memorial, or just because! Swings and Adirondack sets are also a great option starting at \$375. Custom order pieces are also available upon request.

Rustic Picnic Table \$475

Rustic Picnic Table with 2 end benches \$575

All pieces are special orders and take 3-4 weeks for production time. While you may find other cedar furniture in this area, I can guarantee you will not find the size, quality or uniqueness of these pieces except through Cross Works Cedar!
